kohka, saket nagar street 6, supela bhilai (490023)

TECHNICAL SKILLS

- ❖ **Programming Language** : JavaScript, Java, C, C++, Python
- ❖ **Technologies** : HTML, CSS, JS, React.js, React native, Node.js, Express.js, Tailwind CSS, Bootstrap
- ❖ **DATABASE** : MongoDB, Firebase
- ❖ **Version Control System** : Git and Github
- ❖ **Tools** : Vs code, Android Studio, Postman, Thunder Client

EDUCATION

- ❖ X (**CG BOARD**) Saraswati Shishu Mandir Chhuikhadan **83%(2019)**
- ❖ XII (**CG BOARD**) G.H.S. Boys School, Chhuikhadan **86%(2021)**
- ❖ **B.Tech CSE** | 6thSem | Chhattisgarh Swami Vivekanand Technical University (**7.8 CGPA**)current

IMPORTANT LINKS

- ❖ **Coding Profile** : [Leetcode](#) | [Git-Hub](#)
- ❖ [Personal-portfolio](#) | [Linkedin-Profile](#)

PROJECTS

- ❖ **GROZZO-WEB&APP** | Nov 2024 | [Download](#) | [Link](#) | [Git](#)
 - Developed a Blinkit-style platform with a web admin panel and mobile app, integrating product management, secure authentication, cart functionality, seamless ordering, and real-time delivery tracking.
 - Technology used : HTML, CSS, Tailwind CSS, Shadcn UI, JS, React.js, React Native, Node.js, Express.js, MongoDB, Cloudinary.
- ❖ **SMART-CANTEEN-WEB&APP** | Dec 2023 | [Download](#) | [Link](#) | [Git](#)
 - Developed a unified web and mobile application connected to the same server to streamline canteen operations. Day to day report generation.
 - Features include online ordering, real-time order tracking using socket connections, and daily report generation.
 - Technology used : React.js, React Native, Bootstrap, Node.js, Express.js, MongoDB, Cloudinary, Firebase, RazorPay, Auth0 API.
- ❖ **REAL-TIME-CHAT-WEB** | Nov 2022 | [Link](#) | [Git](#)
 - Responsive design, one to one chat, account creation, search functionality.
 - Technology used : React, Bootstrap, Node.js, Express.js, Socket.io, MongoDB, Random Avatar API.
- ❖ **MY-BILLING-SYSTEM** | Sep 2024 | [Link](#) | [Git](#)
 - Developed a robust billing system to streamline invoice generation, manage customer details, and track payments.
 - Integrated features for itemized billing, real-time tax calculations, and detailed reporting.
 - Technology used : React.js, Node.js, Express.js, MongoDB, Tailwind CSS, Shadcn UI.

EXPERIENCE

- ❖ **JOURNAL WEBSITE FOR COLLEGE (IJSRGI)** | Feb 2024 | [ijsrgi.com](#)
 - Developed the website for the International Journal of Scientific Research for Global Innovation

ACHIEVEMENTS

- ❖ 1st Runner Up College Aavishkar Software Based Program 2023 ([SMART-CANTEEN 1.0](#))
- ❖ Winner College Aavishkar Software Based Program 2024 ([SMART-CANTEEN 2.0](#))

CERTIFICATION:

- ❖ IBM Skillbuild Certified in Cloud Computing.

ADDITIONAL SKILLS:

- ❖ Team Management | Problem Solving | Sketching | Drawing |
